

ANNUAL REPORT 2023-24

I am much delighted to present a brief report of Mount Hira English School for the academic year 2023-24 before this auspicious gathering.

Mount Hira English School, a prominent CBSE School in Pattambi, proudly holds the distinction of being the exclusive CBSE-affiliated school in Ongallur Grama Panchayat. With an impressive track record of academic excellence spanning over two decades, the school is committed to delivering value-based learning. This ethos serves to inspire and motivate students, encouraging them to explore boundless possibilities in their relentless pursuit of knowledge and wisdom.

To create a happy, safe, and stimulating learning environment in which all members of the school community will grow together with confidence and core values is our noble mission.

Academic excellence

Academic excellence stands as the cornerstone of our institution. I am happy to announce that the Class 10 students of CBSE Board Examination 2023 have not only achieved a remarkable 100% pass rate but also witnessed 25% of students securing an impressive score of 90% and above. This outstanding accomplishment is attributed to the unwavering commitment of our dedicated staff, the tireless efforts of our students, and the implementation of effective remedial measures to enhance the learning experience. I take great pleasure in commending **Shahana Jasmin, the school topper secured 95%**. Fidha Lubna VK, Mohammed Yoosha, and Mohammed Shahid P have emerged as the district toppers in Arabic, Mohammed Shahid in Social Science securing 100% score.

The Leap Talent Search Examination

The Leap Talent Search Examination marked a significant achievement in academic performance, with approximately 300 students participated at the state level competitive exam. Impressively, nearly all students secured top grades in the examination.

Muhammad Athif Aslam of Standard 3 and Ameen Razin of Standard 5 emerged as the state-level toppers in LEAP 2023.

The Hikma Talent Search Examination,

Specialized Talent search exam for Moral Science held on November 11th, 2023, Around 340 students participated from classes 1-10. Specialized exam crash coaching was provided to enhance preparation. Remarkably, all students achieved outstanding grades includes 14 A+, 53 A grades, 62 B grades and 63 C grades. **Muhammad Hadi and Shayal Mehd from Std. 1, Amrozia from Std. 3, and Ayisha Sheza from Std. 7** emerged as the state toppers securing best score. The management, staff and Parent-Teacher Association extended their heartfelt congratulations to all the academic achievers.

New Initiatives

In alignment with the National Education Policy (NEP) 2020, we have implemented a transformative initiative by restructuring our kindergarten program to a 3-year pre-school named **Fly-High**, marking the formal beginning of a child's education journey at the age of 3. This adjustment aims to enhance early childhood development and lay a robust foundation for lifelong learning.

AI and Robotics Club

We are thrilled to announce the launch of our AI and Robotics Club this year, offering coding and robotics classes for students. Embracing the swift progress in technology, this club provides hands-on experiences in cutting-edge fields, nurturing creativity, and honing problem-solving skills.

Co Scholastic Activities

In our commitment to nurturing the holistic development of our students, we have implemented a systematic approach through various clubs and departments to enhance and enrich co-scholastic activities. Our structured framework includes engaging initiatives such as different day celebrations, special programs, competitions, quizzes, and innovative contests organized by respective departments and clubs. This multifaceted approach ensures that the teaching-learning process is not only academically enriching but also life-oriented. Additionally, we provide expert coaching in Skating, Karate, Music, Art & Crafts, Culinary and Scouts & Guides to promote not only physical fitness and skill development but also instill values of discipline, teamwork, and creativity among students.
